Hi Mary Ellen,

Yes, I was trying to access your ftp site, but I see that my invitation has expired. My updated invitation to the SharePoint site appears to have access to only the tribal consultation documents. I was just taking a tally of which documents were available.

Attached are my comments on the draft documents for Tasks 1.6 and 1.7. I had only minor comments on each of them. Valois will be in touch to set up a conference call to discuss wrapping everything up.

Thanks again for your great work!

Hi Rick,

I've gotten a couple of email messages about a failed attempt for you to log in. Are you trying to access the sftp site or the externally accessible SP site. I suspect one of your invitations may have expired. If you keep running into problems, I'll get our IT folks to reissue and invitation. (I believe some of your initial invites got routed to your spam folder...?)

Mary Ellen
